

# Employer Guidance

Counseling, guiding, drafting and defending small business owners in claims that arise from current or former employees. We also assist in reviewing policies and practices that are currently in place, as well as updating and creating employee handbooks. We counsel and guide employers with the intricacies of the employment relation.

A few of the services we offer include:

Reviewing and preparing Confidentiality Agreements

Defending Claims by Employees

Preparing and Updating Employee Handbooks

Preparing, Reviewing and Negotiating Employment Contracts

Overseeing Investigations

Preparing Non-compete Agreements

Preparing and Negotiating Severance Agreements
